

# ZUNGU SAMUKELO

## Software | Web Developer

📞 0664618732 📩 samkelozungu675@gmail.com 🗺 53 Thami Mnyele Drive Tembisa Gauteng

### PROFESSIONAL SUMMARY

Dedicated IT Graduate with proven expertise in creating responsive and user-centric web applications. I am skilled in leveraging modern technologies like PHP, MySQL, and JavaScript to design and deploy scalable solutions. Experienced in cross-browser testing, accessibility compliance, and optimizing web performance for diverse users. Successfully delivered a visitor management system and client websites while ensuring seamless user experience and system security.

### EDUCATION

Mangosuthu University Of Technology | 2021-2023

Diploma in Information Technology

Mduku High School | 2016-2020

National Senior Certificate (Matric)

### WORK EXPERIENCE

Mdinwa Primary School | June 2025 - October 2025

ICT Champion

- Responsible for software updates and maintained all ICT equipment within the school.
- Handled hardware and software troubleshooting to ensure smooth daily operations.
- Provided technical support to staff and ensured systems remained updated and functional.

Wild Impact | May 2024 - April 2025

Admin Clerk

- Handled school administration tasks, including mail distribution, filing, correspondence, and maintaining student enrollment and attendance records.
- Supported finance functions such as fee collection, petty cash, procurement, and financial reporting.
- Managed databases and SASAMS software to ensure accurate student and staff records.

SD Creatives | June 2023 - February 2025

Software Developer Intern (Virtual)

- Led a team of 5 developers to deliver and deploy a web-based visitor management system with full testing.
- Conducted code reviews, workshops, and focus groups to improve software quality and usability.
- Performed cross-browser testing and usability checks to identify and resolve performance issues.
- Deployed and managed WordPress websites using Afrihost and cPanel, ensuring secure hosting and compliance.

## **TECHNICAL SKILLS**

- **Data Security:** Authentication (MFARBAC), Data encryption, POPIA & Packet Tracer
- **Version Control & SDLC:** Git, Agile methodologies, and SDLC quality assurance.
- **Programming Languages:** Java, C#, PHP, TypeScript, SQL, HTML, CSS, JavaScript, Python, C, and C++.
- **Tools & Technologies:** AWS, Azure, MySQL, cPanel, XAMPP, WordPress, Elementor, SweetAlert2, Kotlin, and Lambda.
- **Frameworks & Libraries:** .NET, Angular, Node.js, React.js, Bootstrap, Ionic, React Native, Cordova, jQuery, and Flutter.
- **Web Development & Design:** Responsive design, hosting (Afrihost, cPanel), Elementor, WordPress, accessibility compliance, and UI/UX.
- **Database Management:** SQL, MySQL, MongoDB & Firebase
- **Testing & Debugging:** Cross-browser/environment testing, functional/usability testing, and debugging for web and mobile apps.

## **SOFT SKILLS**

- Problem-Solving | Analytical Thinking | Communication | Collaboration & Teamwork | Adaptation
- 

## **CERTIFICATION**

- Technical Support Fundamentals
  - Driver's License: Code 10 (2023)
-
